### \*URGENT\* INFORMATION REGARDING SST CARDS

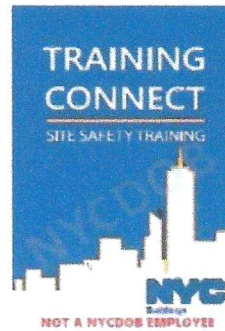

Dear Brothers and Sisters:

The NYC Department of Buildings has required that all Site Safety Cards be exchanged for a new NFC-enabled Training Connect Site Safety (SST) Card by February 1, 2023. This new card has improved security features and synchronizes your training history across all DOB-approved Course Providers. **THIS CARD DOES NOT REQUIRE ADDITIONAL TRAINING.**

Original vs. New Card Design:

If you already have an old SST Card issued by SMW Local 28 Training Center, please wait for an email from [Sofia@local28edfund.org](mailto:Sofia@local28edfund.org) for notification that your card is ready to be picked up at the Local 28 Mineola office or if more information is needed. Some of you already have received the pickup notification and can call the Mineola office at (516) 742-9478 to verify your card is ready for pickup.

If you already have an old SST Card issued by another provider, you may contact the other provider to issue your new card or you may provide us with the information below and we will issue you the new card.

- A copy of the front and back (if applicable) of current SST Card.
- A copy of the front and back of a valid OSHA 30 card.
- A copy of a valid dues receipt.
- Certificate of Completion for the 2-hour Drug and Alcohol Prevention Course and 8-hour Fall Prevention Course taken through another provider (example: ClickSafety, Able Safety).
- A photo or selfie against a blank wall background. No head covering or sunglasses.
- A copy of a driver license or equivalent that includes height, eye color and date of birth.
